

THIS IS THE STORY OF AN AMAZING PATIENT NAMED SUPER WOMAN AND THE ADVENTURES THAT FOLLOWED THE DEFEAT OF HER OBESITY. AS YOU ALREADY KNOW, DRAMATIC WEIGHT LOSS IS SOMETHING TO BE PROUD OF WITH MANY HEALTH BENEFITS, BUT TACKLING THE EVIL VILLAIN OBESITY FELT LIKE THE START OF A WHOLE NEW ADVENTURE. SHE LOOKED IN THE MIRROR EXPECTING TO LOOK LIKE THE SUPERHUMAN SHE WAS, BUT LOOSE, HANGING SKIN THAT REMAINED AFTER HER AMAZING VICTORY, PREVENTED HER FROM APPRECIATING THE INCREDIBLE OBSTACLE SHE HAD JUST OVERCOME.

I CALL THIS PATIENT SUPER WOMAN, BECAUSE SHE HAD THE COURAGE AND STRENGTH TO ACCOMPLISH SOMETHING MOST PEOPLE COULD NEVER FULLY APPRECIATE. I ALSO CALL HER THIS BECAUSE OF H.I.P.P.A. PRIVACY LAWS! THIS IS THE STORY OF SUPER WOMAN'S ADVENTURES IN BODY CONTOURING AFTER MASSIVE WEIGHT LOSS SURGERY.

FACELIFT

SUPER WOMAN FELT LIKE SHE WAS LOOKING AT AN UNFAMILIAR FACE IN THE MIRROR. SHE FOUND THAT HER CHEEKS, NECK AND EYELIDS SAGGED, MAKING HER APPEAR SAD AND QUITE A BIT OLDER THAN THE HERO SHE REALLY WAS. A FACELIFT WAS PERFORMED WITH INCISIONS THAT WERE HIDDEN IN NATURAL CREASES IN FRONT OF HER EARS AND IN HER HAIRLINE. THIS GAVE HER BACK THE CONFIDENCE AND YOUTHFUL GLOWING SMILE THAT HER EVIL FOE OBESITY HAD TAKEN FROM HER.

BREAST LIFT

UNFORTUNATELY, SUPER WOMAN WAS STILL SELF-CONSCIOUS THAT HER NIPPLES POINTED DOWN. BECAUSE OF THE EXTRA SKIN SHE REQUIRED INCISIONS AROUND THE AREOLA AND DOWN THE FRONT OF THE BREAST AND ALSO ALONG THE FOLD UNDERNEATH THE BREAST. SUPER WOMAN THEN DECIDED TO GET BREAST IMPLANTS ALONG WITH A BREAST LIFT TO RECREATE FULLNESS AND CLEAVAGE. AFTER HER SURGERY SHE HELD HER CHEST UPRIGHT WITH CONFIDENCE.

Preoperative Tummy Tuck

Postoperative Tummy Tuck

TUMMY TUCK

THOUGH SUPER WOMAN FELT QUITE A BIT BETTER ABOUT HERSELF, EXTRA HANGING SKIN WAS CAUSING RASHES AND PREVENTED HER FROM WEARING SMALLER CLOTHES. SUPER WOMAN COULD PINCH SKIN AND FAT BELOW HER BELLY BUTTON UP AND DOWN. AS A RESULT THIS WAS REMOVED WITH AN INCISION THAT IS HIDDEN BY HER UNDERWEAR. BECAUSE SHE COULD ALSO PINCH A LOT OF SKIN FROM SIDE TO SIDE, THE ADDITION OF A VERTICAL INCISION (MAKING AN UPSIDE-DOWN T) WAS REQUIRED. THOUGH THERE WAS AN ADDITIONAL SCAR, SHE WAS HAPPY WITH THE DRAMATIC IMPROVEMENT IN HER SHAPE WITH THIS PROCEDURE.

Preoperative Back Lift

Postoperative Back Lift

LOWER BODY LIFT

THE SAGGING SKIN DIDN'T STOP AT HER HIPBONES WHERE THE INCISION FROM HER TUMMY TUCK STOPPED. A LOWER BODY LIFT ADDRESSED ALL THE HANGING SKIN ON HER ABDOMEN, BACK, OUTER THIGHS, GROIN, AND BUTTOCKS WITH AN INCISION THAT GOES AROUND HER WAIST LIKE A BELT.

Preoperative Arm Lift
BRACHIOPLASTY

Postoperative Arm Lift

SUPER WOMAN NOTICED ONE FINAL NAGGING PROBLEM. HER UPPER ARMS SAGGED, MAKING IT UNCOMFORTABLE TO WEAR SLEEVELESS SHIRTS. ALTHOUGH SHE CHERISHED HER MONIKER AS SUPER WOMAN, SHE TOOK GREAT OFFENSE TO THE IDEA OF BEING CALLED BAT WOMAN. SO, INCISIONS ALONG THE INNER ARM WERE USED TO REMOVE THE EXTRA TISSUE AND TIGHTEN THE UPPER ARM. THE INCISIONS CAN BE EXTENDED ONTO THE CHEST TO GET RID OF EXTRA TISSUE ON THE SIDES.

THIGH LIFT

HER INNER THIGHS DROOPED AND RUBBED TOGETHER, WHICH WAS VERY UNCOMFORTABLE. AS A RESULTS, INCISIONS WERE MADE ALONG THE INSIDE OF HER LEG FROM THE GROIN TO HER KNEE IN ORDER TO REMOVE THE EXTRA HANGING SKIN AND FAT.

SUPER WOMAN HAD TREMENDOUS DEDICATION TO HER POST WEIGHT LOSS SURGERY GOALS. TODAY SUPERWOMAN FINALLY SEES A PERSON THAT LOOKS AS AMAZING AS WHO SHE IS.
